+1 (763) 439-4325 | [kelsie.hargreaves@yahoo.com](mailto:kelsie.hargreaves@yahoo.com) | 11858 180th St Milaca, MN 56353

Experienced educator and curriculum designer with 7+ years of experience creating and delivering engaging, standards-aligned learning experiences across classroom, homeschool, and online environments. Skilled in designing digital instruction, adapting curriculum to meet diverse learner needs, and using data to inform instructional decisions.

Passionate about leveraging educational technology and AI tools to enhance learning experiences, streamline content development, and support student growth. Known for clear communication, strong organization, and the ability to collaborate effectively in remote and cross-functional teams. Committed to equitable, student-centered learning and continuous improvement in online and blended education spaces.

## Professional Experience

---

### [Homeschool Education](#)

#### Teacher

[April 2022-present](#)

- Designed and implemented individualized and small-group learning plans aligned to academic standards.
- Created and adapted digital lessons, instructional resources, assessments, and learning activities for online and in-person delivery.
- Leveraged educational technology and AI tools to support lesson creation, differentiation, and content revision.
- Monitored student progress using formative and summative assessments, adjusting instruction based on data.
- Communicated regularly with families to provide progress updates, guidance, and instructional recommendations.
- Maintained organized documentation, learning plans, and progress reports.

### [Homeschool Cooperative](#)

#### Teacher

[September 2024-present](#)

- Collaborated with other educators to design and deliver engaging, project-based and discussion-focused instruction.
- Facilitated group learning experiences that emphasized critical thinking, collaboration, and problem solving.
- Reviewed and refined instructional materials to improve clarity, accessibility, and learner engagement.
- Provided timely feedback to students and families to support academic growth.

### [Public Elementary School](#)

#### Teacher

[July 2017 - June 2022](#)

- Delivered standards-aligned instruction in a diverse classroom environment.
- Designed lessons, assessments, and instructional materials to support multiple learning styles. Used student performance data to inform instructional decisions and differentiation strategies.
- Collaborated with colleagues, administrators, and families to support student success.
- Integrated digital tools and online platforms to enhance instruction and communication.
